

Year 2 Homework

Friday 19th March

This Week's Spellings

Please see below for this week's spellings for your child, which are the words they have been focussing on in our daily phonics groups.

When learning the spellings each week, please don't forget to use the resources uploaded to our page on the website. Don't forget that once your child is confident in spelling the words in their list please look at some of the words in the next list (Group 1) or High Frequency words (Group 2). Spelling tests are every Wednesday, and will be sent home to you in your child's reading diary.

Group 1	Group 2
<u>ss</u> missed, dress, stress, less, messy, unless	<u>suffix 'ful'</u> helpful, colourful, cheerful, useful, painful, thankful

Money skills

I have loved hearing how the children have been continuing to work really hard on their money skills in school with Miss Tingay and Mrs Smale. Thank you to all of you who have been spending some time completing practical money activities at home, Miss Tingay has told me how great it has been to see the children more confident with this life skill. If you would like to read the ideas again from last week's homework letter, please find it on the Year 2 webpage under the 'previous homework letters' section.

I have also uploaded some links to the website for online money games that the children have been playing in school. Again, if they were able to play these at home it would be an invaluable way of reinforcing their learning in school. Thank you.

Mathletics

It is really great to see how enthusiastic you are still about Mathletics. A big thank you for keeping up the momentum with this each week, we really do love awarding the children with their certificates on a Friday during the virtual achiever's assembly in school.

Don't forget that we will sometimes be setting work on Mathletics that the children have previously completed. This is a good way of reinforcing skills they have learnt before, and getting them ready to move to the next step.

Google Classroom

Just a quick reminder that Google Classroom has now been shut down for Foundation Phase pupils, and messages will not be responded to. All homework will continue to be uploaded onto the Year 2 webpage every week.

Thank you for your continued support. Hope you are all keeping well.

Mrs Rhodes 😊
