

## Y4 Homework

Friday 6<sup>th</sup> September

Well what a start to Year 4! It has been a fantastic week with everyone trying their hardest, well done everyone!

For that reason I thought we could ease ourselves gently into the homework routine! As with everything we do in class, please ensure the work you complete is your best work!

***Homework will be sent home on Friday and should be returned (to the class Homework Box) no later than the following Wednesday. Homework brought in later than the Wednesday will not be marked as too will work not placed in the Homework Box.***

### Decorating and covering your book

This is your homework book so I would like you to make it your own! You can cover it with patterned paper, stickers or images of things that interest you, e.g. horses or rugby.

Please ensure that you also add your name and year group to the front cover.

I would then be very grateful if you could cover your book with sticky back plastic as it helps protect the book, keeping it at its best so as to show off all your hard work.

### Holiday Talks

A reminder that your Summer homework needs to be brought into school by Monday (**9<sup>th</sup> September**).

### Topic Talk

This terms topic is entitled 'Clash of the Titans'. This could (and will) cover many areas of learning e.g. sporting rivalries (Rugby World Cup), Greek myths and legends etc, but I would like to know what you would like to learn about. Please can you take some time over the weekend to talk to your family about the topic and think about what you would like to focus on, e.g. Who were Theseus and the Minotaur? We will be collecting your ideas in class next week so it is important that you do have a chat with your family and bring your ideas into school.
